

3 Ways To Start the Laundry Machines

LAUNDRY CARD

- New laundry cards can be purchased in the laundry room from the machine.
- Add funds to your laundry card at the Value Adder Plus (VAP) or the Coded Value Adder (CVA) machine located in your laundry room with cash.
- **Do not attempt to link your laundry card to the mobile app.**

They are separate payment options.

MOBILE APP

CYCLE PAY LAUNDRY APP:

1. Download the following free [CyclePay](#) app from:
 - ❖ Google Play for Android
 - ❖ App Store for iPhone
2. Choose Your Building Location
 - ❖ Either use Location Finder or
 - ❖ Go to Options and choose Change Location:
 - ✓ Choose 'Continue w/Map'
 - ❖ **Your location does not have a QR Code**
 - ✓ Type in the building address (numbers) in the search window at the top of screen and confirm your location
3. Add funds to account with credit/debit card
4. In the laundry room, choose a machine from the app and vend machine, then push the blinking Start button on machine.

CREDIT/DEBIT CARD

- Swipe/insert credit/debit card
 - Choose cycle options
 - Load machine
 - Press Start
- * Your card statement will show a \$15.00 pending hold charge - within 24-48 hours, this amount will decrease to the amount actually used in the laundry room on that day.**
